REPORT ON REVIEW OF THE INTERIM CONSOLIDATED FINANCIAL STATEMENTS

To: The Shareholders and the Board of Directors of Nam Long Investment Corporation

We have reviewed the accompanying interim consolidated financial statements of Nam Long Investment Corporation ("the Company") and its subsidiaries (collectively referred to as "the Group"), as prepared on 1 August 2025, and as set out on pages 6 to 59 which comprise the interim consolidated balance sheet as at 30 June 2025, and the interim consolidated income statement and the interim consolidated cash flow statement for the six-month period then ended and the notes thereto.

Management's responsibility

Management is responsible for the preparation and fair presentation of these interim consolidated financial statements in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to the preparation and presentation of interim consolidated financial statements, and for such internal control as management determines is necessary to enable the preparation and presentation of the interim consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express a conclusion on the interim consolidated financial statements based on our review. We conducted our review in accordance with Vietnamese Standard on Review Engagements No. 2410 - Review of interim Financial Information Performed by the Independent Auditor of the Entity.

A review of interim consolidated financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Vietnamese Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Shape the future
with confidence

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim consolidated financial statements do not give a true and fair view, in all material respects, of the interim consolidated financial position of the Group as at 30 June 2025, and of the interim consolidated results of its operations and its interim consolidated cash flows for the six-month period then ended in accordance with Vietnamese Accounting Standards, Vietnamese Enterprise Accounting System and the statutory requirements relevant to the preparation and presentation of the interim consolidated financial statements.
